RESPONSE TO RESTRICTION/ELECTION OF SPECIES REQUIREMENTS

Box Non-Fee Amendment
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the restriction requirement set forth in the Office Action dated November 5, 2002, Applicants elect the invention of Group II, that is, claims 53 through 65, with traverse. In response to the election of species requirement, Applicants elect with traverse the species depicted by Fig. 15, and identify claims 53 through 63 as being readable thereon.

Claims 33 through 65 are pending in the application. Applicants have elected claims 53 through 65, with traverse.

Applicants are making these elections with traverse on the basis that the public interest and economy are best served by a full examination of all of claims 33 through 65 in a single application. Applicants also wish for the Examiner to note that the elements depicted in Fig. 15 are a superset of those depicted in Fig. 14. As such, Applicants respectfully request that the Examiner consider the depictions of Figs. 14 and 15 as a single species.

It is respectfully submitted that the foregoing elections are responsive to the restriction and election of species requirements set forth in the Action.
